

BORCELLE
real estate

20 July 2024

Dear Matt Zhang

With this letter, I, as the head of the Borcelle Real Estate, would like to apply for funding for the construction of a new cluster housing. Based on the results of the meeting we held the other day, I am sending this letter as an official sign to you. I invite you to become a sponsor in our latest project. For the purposes of the required funds ranged from \$ 200,000,000 (two hundred million US dollars). I hope that this letter will encourage you to help in the construction of a new residence.

Hopefully after you read this letter, you can think carefully and can take action as soon as possible. That's all I can write, through this letter we are officially a partner in this latest project. Thank you

Sincerely,

Jamie Chastain
President of Borcelle
