

Connor Savugot

730 Floyd Stalcup Rd. • Murphy, NC 27607 cbsavugo@ncsu.edu • (828) 541-9487

Education

North Carolina State University | Raleigh, NC
Bachelor of Science in Computer Engineering
2nd Year Student, Junior Classification
GPA: 2.9 / 4.0

May 2026

Tri-County Community College | Murphy, NC **Summer 2023**
Associates Degree in Arts

Murphy High School | Murphy, NC
High School Diploma
GPA: 4.5

May 2022

Relevant Coursework

ECE 109 – Intro to Logical Circuits, LC3 Assembly
ECE 200 – Intro to Circuits
ECE 209 – Intro to C

Spring 2023

Current

Current

Skills

Programming Languages: Experienced in Excel (Formulas), Visual Basic, MATLAB, AHK, Python, and Assembly (LC3). I LOVE programming and am always open to learning new languages!

Problem-Solving: I love Problem Solving. I grew up in a rural area with few resources available to me. This helped me to develop important research skills and perseverance when finding ways to solve my problems.

Personal Projects

Windows 11 Chromebook: Taught me a lot about Flashing OS', understanding error messages, and troubleshooting.

Calculator Modding/Programming: Helped me understand that many devices we use daily are just computers.

AHK Programming: Learned a new programming language to make my computer perform monotonous tasks automatically.

Assembly Compiler: Built binary/hex/numerical conversion functions and understood how a processor interprets instructions.

WSL: Created a Linux environment that runs within my Windows OS to make compiling C programs easier. Taught me lots about operating and interacting with command lines and Linux (Ubuntu Distro).

Work Experience

TEAM Industries | Engineering Intern | Andrews, NC

Summer 2021 & 2022

Developed a Visual Basic Program within Excel to Identify Out of Spec (Specifications) Parts

Created and maintained many excel spreadsheets, which often required designing my own complex formulas.

Performed monotonous tasks with notable accuracy and efficiency.

Tri-County Community College | Math Tutor | Murphy, NC

January 2022 – May 2022

Tutored in Precalculus, Statistics, and Quantitative Literacy

Gained experience in tutoring a variety of age groups and patiently explaining complex topics to students.

Mike Adams Plumbing | Plumbing Apprentice | Murphy, NC

Summer 2012 – 2020

Learned the importance of hard work and gave me an early appreciation for the value of money.

Saw inventive ways to solve problems which helped to teach me many practical engineering skills and valuable life lessons.

NCSU Activities

Grace Church | Member | Raleigh, NC

September 2022 – Present

Participating in outreach and volunteering has allowed me to significantly improve my communication skills.

High School Activities

Student Government - Vice President of Senior Class

STEM/Robotics Club - Co-Captain

Coding Club - founding member

AIG – Academically and Intellectually Gifted Club

Certifications

Adobe Photoshop & Illustrator Certifications

Spring 2021 – Present

FAA Drone Commercial Pilot's License

Fall 2022 – Present
