Education

North Carolina State University | Raleigh, NC

May 2026

Bachelor of Science in Computer Engineering

GPA: 3.0 / 4.0

Murphy High School | Murphy, NC

May 2022

High School Diploma

GPA: 4.5

Work Experience

TEAM Industries | Engineering Intern | Andrews, NC

Summer 2021 & 2022

- ♦ Developed a Visual Basic Program within Excel to Identify Out of Spec (Specifications) Parts
- ♦ Created and maintained many excel spreadsheets, which often required designing my own complex formulas
- ♦ Performed monotonous tasks with notable accuracy and efficiency

Tri-County Community College | Math Tutor | Murphy, NC

January 2022 – May

2022

- ♦ Tutored in Precalculus, Statistics, and Quantitative Literacy
- ♦ Gained experience in tutoring and working with a variety of age groups.

Mike Adams Plumbing | Plumbing Apprentice | Murphy, NC

Summer 2012 – 2020

- ♦ Learned the importance of hard work and gave me an early appreciation for the value of money
- ♦ Saw inventive ways to solve problems which helped to teach me many practical engineering skills and valuable life lessons.

Certifications

- ♦ Adobe Photoshop Certification

Spring 2021 – Present

- ♦ Adobe Illustrator Certification

Spring 2021 – Present

- ♦ FAA Drone Commercial Pilot's License

Fall 2022 – Present

Skills

Programming Languages: Experienced in Excel (Formulas), Visual Basic, and MatLab. I LOVE programming and am always open to learning new languages!

Problem-Solving: I love Problem Solving. I grew up in a rural area with few resources available to me. This helped me to develop important research skills and perseverance when finding ways to solve my problems.

NCSU Activities

Engineering Village | Resident | Raleigh, NC

August 2022 – Present

- ♦ Living with other engineers has been one of the greatest experiences of my life. It helped me to develop a sense of belonging and understanding on a level that I've never been able to connect with people on before.
- ♦ Has helped me to realize how effective peer tutoring is to help understand complicated concepts in many classes.

Christian Organizations | Member | Raleigh, NC

September 2022 – Present

- ♦ RUF has allowed me to network and connect with many other Christians on campus
- ♦ I attend a CRU Bible Study, which has allowed me to form connections with other Christian engineers and upperclassmen.
- ♦ I attend Grace Church, which meets every Sunday on Campus. Not only is it convenient, but their teaching and sharing methods of the Gospel help me to grow in my relationship with God.

High School Activities

- ♦ Student Government - Vice President of Senior Class
- ♦ STEM/Robotics Club - Co-Captain
- ♦ Future Farmers of America - Club member
- ♦ INTERACT - Vice President
- ♦ Coding Club - founding member
- ♦ AIG – Academically and Intellectually Gifted Club
- ♦ Beta Club - Member
